Ken, sorry, slip of my email. Lynda Hall is my NPS Branch Chief and has been engaged with the CZARA issues in the Pacific NW that focus on these NOAA buffers. I'll be on detail in R5 and will not be able to attend here in DC.

Thanks,  
Katie

Lynda,

You may want to attend this series of two meetings. It looks like NOAA's concerns are in regards to the NMFS Buffers and NRCS's buffers in the Pacific NW.

I'll forward both.

Thanks,  
Katie

NOAA would like to webinar on the Interpretive Rule. An additional meeting will take place the next week with NOAA to continue discussing their concerns and issues. Attached is the

comment letter from NOAA as a point of reference for the meeting.
